Chapter 1 by Star Fire

Tick tock...tick tock...

life is counting down on your internal clock.

Memories which were as if they occurred yesterday,
turn to flashes as of moments that seem to fade away.

People you once knew
walk by without a clue.

The times you once shared
exist as if you were never there.

Years fly...friends die...
and you never know when you'll say your last goodbye.

Oh, how I wish I could turn back time,
spend it with loved ones and cherish what was once mine.

Want to go back even more?
Being a kid in a candy store

How I miss the way I used to feel

on Christmas day when Santa was real.

But back to reality...back to today,
family is scarce and memories continue to fade away.

Tick tock...tick tock...
how I wish I could control this clock.

Chapter 2 by A-TypeWriter

Tick tock goes the clock.

An hour goes by, nothing.

days go by, still nothing.

Weeks.

Months.

Years.

And now I'm here.

What have I achieved:

Nothing.

And the clock still ticks on.

Even though I'm gone.

Chapter 3 by Tom Jordan

The clock ticks on.

regardless of how it feels. The clock does not feel.

The clock does not know love, it does not know fear.

It knows no hate and it chimes all year.

It can't relate to pain and suffering

It cannot feel loss

It does not smile, it does not cry

It does not feel the sun or rain.

And numbers on the dial.

Of value in its life.

The only thought that's through its mind
Is Tick-tock all night.

It cares for no one
And no one cares for it
Only for the tales it tells
On the wall alone it sits.

Chapter 4 by Whitney

Time flies by
Like the bees

They just do not care
If you need a break from

All of this
All of this growing up

All of this time going by
All of this time gone

Time stings you
All the sudden

One minute you are young
The next you have to pay bills

Support the family
No one likes time like this

Time takes people from us
Time takes lives when they have gone on too long

See more of Story Wars

Time can be kind

Time can tell them lies

In the end

Time flies by.

Chapter 5 by TraderVic12

Tick tock, tick tock
Stop to smile, stop to talk
When you run, life takes time
Have the guts to stop the climb

Tick tock, tick tock
Stop to smile, Stop to talk
All you want, All you had
Doesn't matter when you're dead

Tick tock, tick tock
Stop the run, start to walk
All you have to bear in mind
Is to have courage
and be kind

Chapter 6 by TraderVic12

Tick tock, tick tock
Life is music, love is rock
Learn and work, practice, sleep
Must life always be so deep

Tick tock, tick tock
You make me trot, you make me squawk
Love me tender, love me wild
A gasp, a kiss, a sigh, a smile

Time flies by

The sun is high and you can't

I'll bite your chops, tickle your nose

And I'll make sure

you won't forget

Chapter 7 by TraderVic12

Tick tock, tick tock
We expand our little flock
Lessons tought, mistakes made
Children grow up as they're raised

Tick tock, tick tock
Some smiles travel, some hearts stop
Things get broken, things get built
The world is new, but we're still here

Tick tock, tick tock
Almost done around the clock
Dare to count how many cry
When you are about to die

Tick tock, tick tock
Listen and your heart will talk
All you have to bear in mind
Is to have courage
and be kind

Chapter 8 by TraderVic12

Tick tock, tick tock
There's no secret to unlock
What you have will wither, die
There's no cure and life goes by

Tick tock, tick tock
You can't leave and you can't balk

Tick tock, tick tock
Happiness stays where you think

But you'll know you lived with style
By your heart and by your smile

Tick tock, tick tock
Time to smile, time to talk
Time to leave it all behind
And to have courage
and be kind

the end
